

MISSISSIPPI STATE DEPARTMENT OF HEALTH

The Mississippi State Department of Health is seeking to fill a Nurse III position within the Rankin County Health Department. The Mississippi State Department of Health was established to protect and advance health throughout Mississippi.

Under the supervision of the District Operations Director, the County Coordinating Nurse is a supervisory Professional Registered Nurse accountable for serving as a member of the medical treatment team. Accountable for overseeing more complex or sensitive care, participating as a member of multidisciplinary team providing direct care in a patient care setting, or providing nursing and health services in a public health program. Will be responsible for mentoring or directing the work of subordinate employees. Will provide public health nursing services primarily within a county health department clinic. Duties may include conducting patient assessments, developing treatment plans, providing health education, referring patients to care, conducting disease control activities, performing direct patient care procedures, home visitation, and serving on emergency/disaster response teams.

Salary Range: \$55,741.31 to \$76,086.89

Location(s): Clinic and routine County travel.

Qualifications:

2+ years experience as a Registered Nurse; Mississippi RN license required

How to Apply: Interested applicants should submit: 1.) Cover letter indicating the location(s) for which he/she is applying; 2.) State of Mississippi Employment Application (<http://www.mspb.ms.gov/media/6595/application%20word%20template.pdf>) and resume to:
